

*** NOTICE OF PROPOSED AIRPORT RULES AND REGULATIONS MODIFICATIONS ***

Scottsdale Airport staff is initiating the process for public review of a proposed change to the Airport Rules and Regulations, Section 2-6 Aircraft Parking. The proposed change is scheduled to go to the next Airport Advisory Commission Meeting on January 11, 2006, as an informational item only. Prior to the January 11th meeting, Airport staff would like to solicit your input on the proposed change. If you should have any comments or concerns, please contact the Airport Administration Offices by phone at (480) 312-2674, or email to cread@scottsdaleaz.gov, or fax to (480) 312-8480. Based on input received, necessary revisions will be made available at the January 11th meeting. Following that meeting and any additional input, this item will be scheduled for Airport Advisory Commission action at the February 8, 2006 meeting.

The following subsection is recommended to be included in Section 2-6.

Section 2-6 Aircraft Parking.

- (f) No person shall store an aircraft on the airport in a state of disrepair, as determined by the Airport Director. Evidence of disrepair shall include, without limitation, flat tires or visible structural damage that prevent use or movement of the aircraft. Aircraft diligently in the process of receiving repairs may continue to be stored at the discretion of the Airport Director.
